Subject: Awards for 2006 sales of Super Good Cents and Energy Star Homes

Dear Retailer,

Congratulations. This has been another great year for your company. We compiled annual sales numbers for all the regional retailers participating in the Northwest Energy-Efficient Manufactured Home Program. Based on 2006 year-end numbers, your company is one of the top three in regional sales of *Energy Star* and/or *Super Good Cents* homes.

Your commitment to energy efficiency and commitment to success insure that homeowners now save thousands of dollars in energy costs, and the demand on the region's limited power supply is significantly reduced. Your company's commitment to quality is reflected in your *Energy Star/Super Good Cents* sales leadership. Thank you for that commitment. Again Congratulations. If you have any questions please call me, Thomas Hewes, at 503-373-7875.

Sincerely,

Thomas Hewes
