

Hi Justin, just wanted to update you. All is well first. The cabinet for the master bath was installed yesterday. We got perm. power yesterday. The air unit is being installed right now. We have been approved for occupancy. Wow. I can start breathing now. Just wanted to say Thank You! for everything. I look forward to praising your customer service for this project. We are moving in and going about normal activity finally. Thank you again. Let me know if there is anything you need. Have a great rest of the week and weekend. WOO HOO!!!!!!
