Good afternoon Stephanie,
I am very pleased with the level of quality customer service you have given to my wife and I.
It has been a long road in the search for the perfect home and I have dealt with dozens of people.
I am thankful, we have found such a blessing as you to help us with this matter.
I look forward to talking to you about carpet, pain and tile colors for our model.
I am sure I will have other questions as well. Again, we appreciate the good work you have done for us.

Best Regards,

Rory
